

December 1, 2017

Dear Livestock and Poultry Breeder,

Be a part of a fun educational event for one of Wisconsin's largest industries....Agriculture!

Have you been searching for a way to increase your show stock business? We can help.

The Northeastern Wisconsin Honor Show Chow Seminar gives you a cost effective way to reach new youth exhibitors and their parents. The Seminar, scheduled for Saturday, February 24, 2018 at the University of Wisconsin-Sheboygan Fine Arts Building, will give you the opportunity to reach more than 300 youth exhibitors and their parents. Doors will open at 8:30 am and close at 12:00 pm. On behalf of the organizing Purina Animal Nutrition dealers, I invite you to exhibit at the 2018 Northeastern Wisconsin Honor Show Chow Seminar.

Reserve your own table for only \$50.00, where you can display pictures of your breeding stock, pictures of your stocks' wins, etc. Your information will also be placed on the Breeder Listing that we will be handing out to all of the youth exhibitors in attendance. You can be conversing with the youth exhibitors and their parents to promote your stock on the day of the Seminar. It will be your space to do with as you would like.

For those of you that cannot be in attendance the day of the Seminar, we also have an option for you. We can have your information put on the Breeder Listing that we will be handing out to all of the youth exhibitors in attendance on the day of the Seminar for only \$20.00.

To reserve your table for the Northeastern Wisconsin Honor Show Chow Seminar, please fill out the enclosed registration form. If you have any questions, concerns, or suggestions, please feel free to contact Sarah Breuer at (920) 418-2173 or via email at sbreuer@cvcoop.com.

Sincerely,

Sarah Breuer
