GENERAL INFORMATION

Your oats are sampled, weighed, the moisture tested and the test weight taken when you arrive. All calculations are made using this information. A copy of the scale ticket will be given to you at the time of delivery.

We reserve the right to reject oats based on quality to preserve the quality of the other oats in storage. We will be responsible for maintaining oats in good condition and to insure it against loss. Prices are subject to change without formal notification. All price changes will be posted on the effective dates.

CHARGES

Drying charges and discounts are based on incoming or wet weights. Oats that are at 13% moisture or less will not need to be dried. Oats that are above 13% moisture will be dried at a charge of \$.07 per bushel plus \$0.01 per ½ per point of moisture removed.

SHRINKAGE CALCULATIONS

All oats are based on 13% moisture.

1.60% shrink per point of moisture removed from the oats.

COST OF STORAGE

If you do not wish to market your oats immediately, you may store it at our facility. After 10 days, the cost of storage will be \$.00167 per bushel per day. (Approx: \$.05 per bushel per month) A minimum monthly storage charge of \$5.00 will apply.

STORAGE & OUT HANDLING CHARGES

You will have 10 days of “free time” before your oats will be put into storage. You will be charged \$.15 per bushel or a minimum of \$15.00 per load if you wish to remove your oats. There will be NO “free time” for loading out. If you transfer your oats to another party, there will be a \$.15 per bushel transfer fee. There will be no charge for grain processed through CP Feeds LLC or for grain being sold through the Co-op.

PAYMENT FOR OATS

If you sign a contract to sell your oats, you will be paid for that oats 7 days after you complete your contract. Notification of your last load of delivery would be greatly appreciated
