STORAGE & OUT HANDLING CHARGES

You will have 10 days of "free time" before your wheat will be put into storage. You will be charged \$.15 per bushel or a minimum of \$15.00 per load handling charge if you wish to remove your wheat or transfer it to another party. There will be no handling charge for grain sold through Country Visions Co-op or processed through CP Feeds LLC. Above discounts will still apply.

PAYMENT FOR WHEAT

If you sign a contract to sell your wheat, you will be paid for that wheat within 7 days after you complete your contract. Notification of your last load would be greatly appreciated.

COST OF STORAGE & DP

If you do not wish to market your wheat immediately, you may store it, place it on a minimum price contract, a basis contract or a Delayed Price contract. The cost of the storage will be \$.00167 per bushel per day calculated beginning on delivery day. (Approx. \$.05 per bushel per month) A minimum monthly storage charge of \$5.00 will apply.

DP charges will be \$.20 per bushel plus \$.03 per bushel per month starting upon delivery. All DP wheat must be priced by May 31, 2018. DP charges are subject to change.
