### Trucking

Trucking is available upon request. Please contact our grain staff for current rates.

### Storage Policy & Cost

If you do not wish to market your wheat immediately, it will be placed in storage after the 10-day allowance period. Storage will be retroactive back to the day it was brought in. Wheat that will be going into storage will be evaluated with the appropriate storage fees and may have additional shrink and drying costs.

### Out Handling Charges

There will be no handling charges for wheat that is sold through CVC or processed through CP feeds. You will be charged \$.20 per bushel or a minimum of \$20.00 per load if you wish to remove your wheat.

### Payment for Wheat

If you sign a contract to sell your wheat, you will be paid for that wheat within 7 days after the delivery of the contract. If your wheat is sold on a "spot" market, you will be paid for that wheat within 7 days. Notification of your last load of delivery would be greatly appreciated.
